KWIK DISH CHIPOTLE MAC N' CHEESE DINNER MIX

Chipotle Mac N' Cheese Dinner Mix consists of **100% Whole Grain-Rich Elbow Macaroni** combined with Cheddar & Romano Cheese and a Smoky Chipotle Jalapeno flavor. The addition of cooked ground meat, or shredded poultry, tomato paste, hot water and shredded cheese will complete this entrée product. The Pasta used in this product will hold up well when held at temperature for an extended period, without deteriorating or breaking down.

We offer two preparation methods on the product label: Stove Top (or Steam Kettle) Directions and Oven Cook Directions. Although the use of either set of directions make this product very easy to prepare, the Oven Cook Directions allow for the very efficient and simple method of combining our product with the necessary components to complete the Entrée in a steam table pan, cook it in the oven and simply place the pan in the steam table for serving. Nothing could be easier!

This Entrée Mix product has broad application to School Food Service, Long Term Healthcare, Jails, Camps, Meals on Wheels and just about any type of Foodservice operation you can think of.

A 6 oz. serving will provide 2 oz. Meat/Meat Alternate, ½ Grain ounce equivalent and ¼ cup red vegetable.

CN: Not CN Labeled, however, Bernard Food Industries, Inc. certifies that when this product is prepared according to label directions, each serving provides the amount of Meat/Meat Alternate and Grain ounce equivalent shown above. This statement had NOT been evaluated by the FNS, USDA.
