

TEX-PRO TACO FILLING MIX

Tacos have long been among the most popular items on the school lunch menu making our Tex-Pro Taco Filling Mix one of our top selling products. Bernard Tex-Pro Taco Filling Mix contains the necessary seasonings, minced onions and tomato powder making the addition of cooked ground beef, or beef patty crumbles, and water all that is needed.

Bernard Tex-Pro Taco Filing Mix also contains a refined Textured Vegetable Protein that is visually undetectable and cannot be tasted. Less ground beef is used when Textured Vegetable Protein is incorporated with meat thereby lowering fat content and cost per serving. Each 1/3 cup of Bernard Tex-Pro Five Taco Filling provides 1 1/2 ounces "Meat/Meat Alternate" for the Child Nutrition Meal Pattern requirement. A 1/4 cup of vegetable is contributed when tacos are topped with a #16 scoop of a combination of shredded lettuce, tomatoes and diced onion.
