VANILLA FLAVOR HI-PRO PLUS

Hi-Pro Plus in Vanilla and No Sugar Added Neutral varieties were developed in response to dieticians requests for a superior tasting beverage that can be easily and economically incorporated into the regular meal plan.

Hi-Pro Plus is easily reconstituted with whole milk.

Hi-Pro Plus satisfies the special nutritional requirements of nursing home residents and long term patients, and for special feeding requirements of hospital patients.

Bernard brand Hi-Pro Plus are high in protein and calories, have an excellent balance of vitamins and minerals, and with their superb flavor, these fine beverages will do what they should do...brighten the day for the patient. Patient acceptance increases staff satisfaction as well.

With smooth, rich flavors and satisfying texture, **Bernard brand Hi-Pro Plus** is easily accepted, easily prepared ... it is easily the most complete nutritional formula on the market.

One taste is all that is needed to provide proof that **Bernard brand Hi-Pro Plus** are the finest tasting products of their type on the market.

Using **Chocolate Flavor Hi-Pro Plus** - instead of using 8 ounces whole milk, use just 6 ounces whole milk and half a banana.

Blend and serve.

DELICIOUS TASTE.....New flavor technology eliminates “medicinal” taste, no powdery “mouth feel”, no cloying sweetness.

EASY PREPARATION.....**Bernard brand Hi-Pro Plus** have been ‘instantized’ so that the product mixes easily with milk, fruit juice, fruits of all types, ice cream, sherbert, and even when adding **Bernard brand** powdered Egg Nog Mix, the finished product comes out smooth and delightful to the palate.

ECONOMICAL.....For more than 50 years, **Bernard Food Industries, Inc.** has been providing health care establishments with America’s highest-quality “special foods for special needs”. We provide you with the **Highest Value for Your Nutritional Dollar**.

We are so confident that our **Bernard Hi-Pro** are the most delicious beverages on the market that we will unconditionally guarantee them to your total satisfaction. For the five decades that we have been in business, **Bernard Food Industries** has always been a pioneer in developing food and beverage mixes and being first on the market with them. Now we have put our energies and technological expertise to work in bringing you a product line that we believe to be better than similar products now on the market.
