The unprecedented success of our **Calorie Control Fruit Treats** has resulted in the application of the same fruit/flavor system into a new line of dietary cake mixes flavored with actual fruit and fruit flavors.

*Bernard Food Industries* first introduced Dietary Bakery and Frosting Mixes to the healthcare trade in 1950 and has continually been in the forefront of technological advances in new food product development. These **Fruited Dietary Bakery Mixes** are the very first in the food industry and as with all **Bernard** brand products, are of the highest quality possible to attain.

In addition to their usual preparation as Layer Cakes, these **Fruited Dietary Bakery Mixes** also make excellent muffins.

**Diabetic Exchange:** One serving is approximately equal to 2 bread and ½ fat exchanges.

**YIELD PER CASE:** 144 – 2 oz. servings

**PACK SIZE:** 12 @ 16 oz. cans
